As a current USHL goalie coach and former 10 year pro, Steve has developed an extensive library of drills and exercises for goalies to work on, giving goalies access to a professional goalie coach year round.

### Mission Statement

Our mission is to create the most elite and intense goaltending camp in the world for goalies who want to take that next step in their career. This includes the highest level of instruction by professionals on and off the ice. Goaltenders have always been considered a "special breed" of individuals. That's why they should learn from other goaltenders who understand their unique situation and position.

We will do everything possible to make this a memorable and affordable experience for all who attend.
